

Dear Parents and carers,

Please support your child in choosing at least one project to complete alongside the usual 3 x a week reading, spelling and times table practice. If you would like to do anymore, that would be great.

The final date to hand in the project is Monday 22<sup>nd</sup> May. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.  
Thank you.

Project 1 – Create a 2D or 3D tree and label the layers of the rainforest habitat.

Project 2 – Design an Amazon Rainforest restaurant along with a 3 course menu.

Project 3 – Make a survival list of 10 items that you would take to the Amazon Rainforest to help you survive.

Project 6 – Write a persuasive letter to the class about how they could change their behaviour to look after our rainforests.

Project 5 – Research a famous artist, musician, creator or any person who originated from South America.

Project 4 – Draw or paint a picture inspired by the rainforest.
