

WHAT WE ARE LEARNING:

Year 5, Summer 2, 2022-2023

Dear Parents and carers,

Here is our topic for this half term. Please also see the Creative Homework sheet and Knowledge Organiser for ideas about supporting your child's Learning Journey

Wow Event/Hook: Dress up as what I would like to be in the future.

As Readers we will:

We will practise comprehension skills linked to our topic. We will use our key vocabulary linked to this topic to help us read non-fiction and fiction texts. We will use our explanation skills to read, discuss and present what we have read including through debates.

As Authors and speakers we will:

Demonstrate our learning through a persuasive advert about a product we have designed. We will also present our product and verbally persuade a panel of "Dragons". Finally, we will get to apply all our skills to write our own narrative.

As Designers we will:

Design, prepare and cook a savoury dish using a range of cooking techniques. Understand seasonality of food and where our food comes from.

As computing experts we will: using search technologies effectively, appreciating how results are selected and ranked. Evaluate digital content as we use the internet to research and design our product.

PSHCE- JIGSAW theme: Changing Me.

We will learn about how puberty changes our body, how babies are conceived and what I am looking forward to about being a teenager. We will practice the skills we need for our future careers including leadership, teamwork and resilience.

As E. safety experts we will: Creating strong and secure passwords and know how to keep our data safe.

As Historians we will:

conduct a study on the history of a local company, Birds the bakery.

As Scientists we will: be learning about how humans develop and grow from conception to old to old age?

As Linguists: we will be learning to read, write and talk about sports in an Olympic topic.

Religious Education: we will be asking what difference does it make to believe in Ahimsa, Grace and or Ummah?

As Musicians we will: Listen to examples of music used in advertising and then improvise and compose music to help advertise and sell our product.

As Athletes we will:

Use running, jumping and throwing in competitive games. We will also prepare for Sports Day and Osprey's will continue to go swimming.

As mathematicians we will:

To use position and direction, apply our measuring skills in DT and recap shape and geometry.
