

Dear Parents and carers,

Please support your child in choosing one project to complete alongside the usual x3 reading, spelling, times table practise and Year 6 homework pack. If you would like to do any more, that would be great!

Please hand your projects in during the last two weeks of this half term. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 6 –

Research and create a written fact-file about an object, event or person from wartime. Present it in a creative way for your class to enjoy.

Project 5 –

Design a secret code of your own and write and send messages to your friends.

Project 1 –

Write a song to boost morale for people to sing in the air raid shelters or while evacuated in the country.

Homework  
Project Sheet

Project 2 –

Create a breakfast, lunch and dinner menu for a day, using only the ingredients available during rationing war times.

Project 3 –

Make a model of an air raid (Anderson) shelter out of any materials you can think of. This could be lego, recycled materials etc.

Project 4 –

Bake or cook a wartime recipe.
