

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and timestable practise. If you would like to do any more, that would be great!

The final date to hand in the project is one week before the end of term. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1 – Go on a walk around Derbyshire and take photos or create a video diary of what you saw on your outing.

Project 2 – Go on a walk around Derbyshire and take photos or create a video diary of what you saw on your outing.

Project 3 – Ask a family member about what they remember about their childhood or life in Derby and how it has changed over time. Write down all the interesting things you find out!

Project 6 – Create a time capsule of items that represent Derbyshire this year and bury it. You could include a letter to someone in the future telling them all about Derbyshire now. Take photos of you doing this to show us!

Project 5 – Try or bake some traditional Derbyshire recipes such as:

- Oat cakes
- Bakewell Pudding
- Fidgety Pie
- Thor Cake

Project 4 – Design and build a car or plane to pitch to Rolls Royce. You could use junk modelling items to build your idea.
