

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and timetable practise. If you would like to do any more, that would be great!

The final date to hand in the project is 6th July. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1

All about Year 6 – create a poster/leaflet explaining all about Year 6 to explain what the Year 5 children will need to know

Project 2

Write a postcard to your new tutor to them all about yourself.

Project 3

Sketch and colour in your new school uniform. What does your PE uniform look like?

Project 6

What will your new school day look like? Research the times of your new school day and write out your new timetable. Include what time you will need to set off to get to school on time.

Project 5

Write a diary entry to your future self. What would you like to achieve whilst at secondary school – write down your dreams and goals.

Project 4

Record yourself or write a speech, highlighting your favourite memories from Cherry Tree.
