

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and times table practise each week. If you would like to do any more, that would be great!

Please bring in any completed projects by the last Monday of the half term. Then, the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 6 –

Design your own knight armour. Include a shield with your own coats of arms on. Think about your name, hobbies, where you live.

Project 5 –

Create a fact file about a famous UK castle

- Dover castle
- Caernarfon castle
- Edinburgh castle
- Dunluce castle
- Balmoral castle
- Alnwick castle

Remember to use sub-headings and wow words.

Project 1 – Create your own 3D model of a castle, can you add a working draw bridge?

Project 2 – Create a short presentation on the computer/ tablet or make a video of you explaining all that you know about castles like a TV historian!

Project 3 –

Visit a local castle. Take photographs and record some interesting facts about your chosen castle.

Project 4 –

Design and cook a tasty meal that could be served at a castle banquet.
