

This half term in Jigsaw we are focusing on the topic: **Changing Me**

We will talk about life cycles in nature and talk about the natural growing process of getting old and where we are on this journey.

We will be able to identify the physical differences between boys and girls and we will use the correct names for these parts of the body. We will discuss that some parts of our body are private.

We will discuss different types of touch and comfort. We can talk about the ones we like and the ones we do not like too.
