Dear Parents/Guardians,

I hope this message finds you well. I'm writing to introduce you to an exciting online resource that we are using to support your child's spelling development: Spelling Shed. This website offers a fun and interactive way for children to practice their spelling skills both at school and at home.

What is Spelling Shed?

Spelling Shed is an engaging platform designed to improve children's spelling through fun games, quizzes, and practice sessions. The website aligns with the school curriculum and is tailored to each child's ability level. It allows your child to learn and reinforce their spelling in an interactive way that promotes engagement and retention.

How Does It Work?

Children are given weekly spelling lists that they can practice using Spelling Shed. The website offers multiple game modes to make learning enjoyable, and children can earn points and rewards as they progress. Teachers also track progress to ensure each child is practicing the right words and receiving additional support where needed.

Why Use Spelling Shed?

- **Engagement:** Spelling Shed turns learning into a fun experience, making it easier for children to stay motivated.
- **Practice at Home:** You can easily access Spelling Shed from home, giving your child an opportunity to practice their spellings between lessons.
- **Progress Tracking:** Teachers can monitor each child's development and provide extra practice in areas where they might be struggling.

How to Access Spelling Shed

Your child has been given their login information and they can access Spelling Shed online here: <https://play.edshed.com/en-gb/login>. The website can be accessed using a computer, phone or tablet. Please follow this link for a more detailed [Parent Guide](#) which will support you to use Spelling Shed at home.

If you have any questions or would like further assistance, please don't hesitate to reach out to your child's class teacher in the first instance. We're excited to see the improvements in spelling through this wonderful resource and look forward to your continued support.

Best regards,

Miss Barrass
