

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading and spelling practise. If you would like to do any more, that would be great!

The final date to hand in the project is one week before the end of half term. We will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 6 – Read a story about a special time, celebration or festival. Write a book review and explain what you liked and disliked about the book. Can you rate it out of 5 stars?

Project 1 – Share or draw a picture of a special time or celebration in your life. Write a sentence to explain.

Project 5 – Create some maths problems for a friend to solve linked to our current learning, which is addition and subtraction.

Project 2 – Create your own card or invitation to a ceremony, celebration or festival.
e.g. birthday invitation, Christmas card, christening invite

Project 3 – Research using books or the internet a celebration that happens in the UK. Why does it happen? Where does it happen? What do they do? Eat? Wear? Who attends?

Project 4 – Record a video of you singing and performing a song or dance we might see for a special occasion.
