

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and number bonds to 10 practise. If you would like to do any more, that would be great!

The final date to hand in the project is Friday 7th February. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1 – Design your own superhero transport or superhero gadget and make it out of recyclable materials.

Project 2 – Plan and write your own superhero comic.

ZIP, zap, Pow!

Creative Homework Project

Project 3 – Read a story or non-fiction book about a super-hero, write a book review for others.

Project 6 –

Create a code breaker that can be solved by completing maths sums.

Project 5 –

Make a healthy hero meal with a grown up.

Project 4 – Research and make a poster about a 'real life superhero'.
