

# My Family Timeline

A timeline is a listing of events in **chronological order**. This means that the events are shown in the order that they happened.

Interview family members to find out key events that have happened in your family, for example births, marriages or first days at school. Write down all of these events and don't forget to record the date!

- Create your Family Timeline showing all the key events in chronological order.
- Draw pictures for each of your key events and remember to include dates.
