Poetry - Acrostic

Stars up in the sky
They sparkle with love
All so glorious
Radiant above

This is an acrostic poem. It spells a word down the left hand side.

To create a model that will stand up alone, we need to consider what materials would be best.

Vocabulary that will help:

Material – what something is made out of

Object – the name of the thing that you are holding/ thinking of.

Strong – something that will not bend easily.

Flexible – something that can be bendy and moved easily.

Neil Armstrong

On the 20 July 1969, Armstrong became the first person to walk on the Moon.

The astronauts approached the Moon in a landing vehicle called 'Eagle'.

Neil Armstrong was from America.

Tim Peake

Tim Peake was born in 1972 in Chichester, England.

In 2016, while on his mission to the International Space Station (ISS), he became the first official British astronaut to walk in Space.

The app 'Paintz' allows us to create digital images. Hold down the tracker pad and draw lines using the paint brush or pencil. We can change colours by clicking on a colour before drawing.

Wassily Kandinsky was an artist that used lines, colours and shapes to create art.
