22nd July 2026

Dear Pupils, Parents and Carers

I hope that you have all had an enjoyable summer term and you are looking forward to the holidays. Let's hope that the weather plays ball and we don't have to resort to indoor barbecues and top trumps.

When we return to school in September, you will need to make a decision about where your child will attend secondary school. This is a big decision and it is important that you select a school that is right for you and your child. I look forward to supporting you through this process and to showing you what West Park has to offer.

Our annual Open Evening takes place on:

Monday 21st September 2026
5:00 p.m. – 7:00 p.m.

This evening will provide you with an opportunity to tour around the school, meet some of our amazing pupils, interact with our committed and talented staff and feel the ethos and culture that makes our school unique. On the back of Open Evening, I would strongly suggest that you come in for a tour to see West Park in action during the school day.

As a proud parent of 3 children, (2 of which will be attending West Park in September) I understand the importance of choosing the school that is right for you, developing that sense of security and belonging.

At West Park, we are a big family and I look forward to welcoming you to meet the team in September.

Take care and have a wonderful summer!

Kind regards

Scott McGregor
