

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and tackling tables practise. If you would like to do any more, that would be great!

The final date to hand in the project is Friday 15th December. Then, the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1 – Find out which foods are grown in different parts of Africa and label them on a map blank map of Africa. Write down which foods you have tried and which you would like to try.

Project 2 –
Design and make a percussion instrument using something from your house

Creative Homework Project Sheet

Project 3 – Design a mask based on wooden West African tribal masks.

Project 6 –

Research a famous leader from Africa. You could get an adult to help you to use a computer to do this. You can present this how you like.

Project 5 –

Share some questions you would like to ask someone in an African country and compose a letter or email.

Project 4 –

Write a 'Who Am I?' riddle for an African animal. Describe the animal but don't say what it is. See if your teacher can guess the animal from your description!
