**Our Fundraising mission.
For every child to feel hope...
Don't wait, act early.**

Your child
doesn't have to
be at crisis point
before their
feelings deserve
support...

SWIPE

You might know your child could benefit from some support, but wonder whether they're struggling enough to ask for it.

@BRIDGETHEGAP_CMH

Our Family Support Fund was created with these children in mind.

Because we believe in the power of not waiting.

NEXT

It aims to help eligible families access early emotional wellbeing support, including our six-week **Growing Minds**, four-week **Anxiety and Anger** programmes, or workshops, without having to wait until difficulties become more significant.

NEXT

Applications are considered based on your child's needs, your family's circumstances and the funding available.

We want to support children who are only just beginning to struggle...
