

English-Week 4 and Week 5

We would like you to use your skills as a writer and illustrator to write a new information book.

Our new topic is 'Enchanted Forest'. We would like you to think about the animals that live in a forest and tell us about it! You can choose to write about any forest animal, some ideas are below, but it is your choice.

Here is a list of tasks for you to complete over the next two weeks:

1. Collect lots of information using books, the internet etc.
2. Answer the following questions about your chosen animal;
 - What is it?
 - What does it look like?
 - Where does it live?
 - What does it eat?
 - Interesting facts
3. Design a front cover for your information book. Make sure you have a title, the author and illustrator.
4. Write a chapter for each question. Use the question as the title of each page. It would be lovely to have a picture on each page too.

We will really look forward to reading your lovely books. Here are some animal ideas-badgers, dormice, foxes, deers, woodpeckers, owls and many more!

Useful tips!
