### Myths & Legends

**What are Myths?**  
Myths are usually stories with a deep, symbolic meaning. Certain myths have survived for thousands of years and they are often used to explain how the world began or how a certain culture was formed.

**Key Words:** sacred, eternal, immortal, fantastic, creature, hero

**Settings:** kingdoms, forests, underground, ancient cities

**What are Legends?**  
Legends are stories that can be partially true. The stories usually involve a hero fighting monsters and being helped by magical creatures. They often involve the beliefs of the culture they are spread from.

**Key Words:** heroes, old world, magic, world

**Settings:** kingdoms, a land far, far away, clouds, hell
