

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and times table practise each week. If you would like to do any more, that would be great!

Please post any completed projects to Seesaw by 19th July. Then, the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Creative Homework Project Sheet

Project 1 – Write a story about a jungle adventure. Remember to use adjectives and describe using all of your senses! Can you include any direct speech?

Project 3 – Use your computing skills to research a jungle/ rainforest. Present your findings in any way. Could you do a video report? A fact file? Labelled drawing?

Project 5 – Create your own gym/ dance routine acting out different jungle animals. How will you move to show a monkey? An elephant? A crocodile? Send us a video of your routine.

Project 2 – Draw your jungle explorer survival kit and add labels. What would you take on a jungle adventure? What things might you need to help you along your way? Explain why you think you might need these items.

Project 4– Use your art skills and get creative and design a new jungle/ rainforest animal. Could you combine two or more animals together?

Project 6 – **Save the Rainforest**
Create a poster/ campaign to encourage people to stop destroying the jungles/ rainforest.
