

Performing a poem task

<https://www.youtube.com/watch?v=RvV23xoZRkl>

Can you perform your own poem? If you follow the link it will show you a great little video by Michael Rosen for tips on how to perform a poem. If you search for children's poems with your parents and carers on the internet (Michael Rosen does some great ones), can you find one you really like and perform and record it? We look forward to seeing what you choose. Mr Appleton has also done his version if you take a look on our school Twitter.
