

Have your say now on your childcare needs

Derby city council is running a survey so that parents and carers can tell us about the 0-5 years childcare they use and need.

Visit **letstalk.derby.gov.uk/childcare-needs-survey-2023** now and complete the on-line survey or ask your childcare provider for a paper copy. **Survey closes on Sunday 19 March 2023.**

The findings will be used to manage the childcare market and support its future development so that childcare in the city meets families' needs.

If you want any more information please contact the Families Information Service on **01332 640758** or email **fis@derby.gov.uk**
