

Dear Parents and carers,

Please support your child in choosing at least one project to complete alongside the usual x3 reading, spelling and timestable practise. If you would like to do any more, that would be great!

The final date to hand in the project is Monday 10th February.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1

Create some Bronze Age bunting with facts and illustrations about the Bronze Age on each flag.

Project 2

Celtic place names begin with Abe- or Inver- (which means mouth of a river). Look at maps of Scotland and Wales and find some Celtic places.

Project 3

Celtic knots are patterns which are usually created by endless circles or continuous designs. Create your own drawing of a Celtic knot (Can you make it symmetrical?)

Homework Projects

Project 6

Make a model of a roundhouse using recycled materials.

Project 5

Write a diary from a person living in the iron age using your knowledge of life during the Iron Age.

Project 4

Research, design and make an Iron Age piece of jewellery.
