Dear Parents,

Over the past few weeks, we've noticed a decline in uniform standards, and I would like to remind all parents that school uniforms are a requirement for all children at Cherry Tree Hill from Reception to Year Six.

The affordability and availability of uniforms should not be a barrier for anyone. Therefore, our school uniform is deliberately simple and affordable. Parents can choose to buy branded uniforms from suppliers or generic uniforms from local supermarkets, such as Asda, Tesco, and Sainsburys. Branded uniforms can be purchased online from 'Your School Uniform' and our supplier Morley's Outfitters in Chaddesden (Nottingham Road).

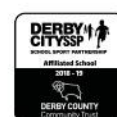

The uniform doesn't need to have logos, so it can be bought at local supermarkets.

We also have a selection of second-hand uniforms in stock at school and run a second-hand stall at our Summer Fair in July. Uniform donations are always welcome.

We ask children to bring school items in our free (provided) book bags, not rucksacks. All the items needed for school ought to fit into a book bag. In exceptional circumstances, children may use larger bags (for example, they cycle home), but as a general rule, a bookbag is sufficient. This is why we have provided them free of charge.

Our uniform consists of:

- | | |
|-------------------------------|---------------------------|
| • Trousers (not leggings) | Black or Grey |
| • Tailored Skirts | Black or Grey |
| • Shirts or Blouses | White |
| • Polo shirts | White or Red |
| • Summer Dresses | Red and White check |
| • Cardigans or Sweatshirts | Red |
| • Shoes (sensible low-heeled) | Black |
| • Socks | Black, Red, Grey or White |
| • Tailored Shorts | Black or Grey |

Fashion clothing, trainer-type or large-heeled footwear, and unnecessary jewellery (wristbands, large headbands, etc.) are unacceptable for school. Extreme hairstyles are also unacceptable for school; we expect parents to make sensible choices for their children. All clothing must be labelled clearly with the child's name; we will not take responsibility for lost items.

Over the half term holiday, can I ask that you please take some time to look at what your child brings into school and ensure they only bring the necessary items required for school and nothing else? We have a limited number of children bringing in toys, teddy bears, and electrical equipment. I'm sure you will agree, these are not suitable for school.

PE Kit is also an essential part of school uniform and is outlined below:

Our PE Kit
