

Dear Parents and carers,

In Year 4, your child has a half-termly English and Maths booklet to complete for homework, alongside the usual x3 reading, spelling and timestable practise. If they wish to do more, linked to their topic, please support them in completing one or more of the projects listed on this sheet,

In the final week of this half term, the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.
Thank you.

Project 1: Pick an area of the Mayan culture and produce a presentation of your choice.

Project 2: Reproduce a 3D artefact from the Mayan culture, using any materials of your choice (this will be displayed in the classroom).

Project 3: Complete a Mayan quiz to test the class on- make sure you have the answers!

Project 6: Create a 10 question arithmetic paper for a friend to complete in Mayan numbers.
Make sure you have the answers!

Project 5: Make a Mayan headdress suitable for a priest or warrior.

Project 4: Choose a Mayan God and create a character profile about them.
