

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and times table practise. If you would like to do any more, that would be great!

In the final week of half term, the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1 –

Create a word search with vocabulary from this topic.

Project 2 –

Recreate a piece of art for an artist of your choice.

Project 3 –

Create a fact file for an artist of your choice.

# Art Attack

Project 6 –

Pretend you are a journalist and you have been able to have an interview with Banksy! Create a list of interview questions that you would ask them. You could also ask an adult to pretend to be them to find some possible answers to your questions!

Project 5 –

Pick a piece of artwork by an artist of your choice and create a piece of music using objects around your home to show how the music makes you feel.

Project 4 –

Make and solve some calculations using key years in art history.  
Eg Matisse was born in 1896 and Lowry in 1887..  
So  $1896 + 1887 =$
