

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and times tables practise. If you would like to do any more, that would be great!

The final date to hand in the project is Monday 23rd October. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1

Research an American President of your choice and create a social media profile with all of their key information on.

Project 2

See how many of the 50 states of America you can memorise. Use this song to help you:

<https://www.youtube.com/watch?v=KQ EHLMyAWeY>

Project 3

Research a biome in North America, create an Infographic to tell people all about what they'll see on their road trip there.

Project 6

Have a go at making your own dance sequence inspired by our line dancing lessons! You could use some of the country and western music we have been listening to at school!

Project 5

Use Google drawings to create your vector drawings to create a logo from and American holiday company. Can you think of your own slogan?

Project 4

Research famous American musicians and put together a 'playlist' for your road trip. What type of music is it? What is the tempo like? What instruments can you hear in the songs?
