

# Full Steam Ahead

Dear Parents and carers,

Please support your child in choosing *at least one* project to complete alongside the usual x3 reading, spelling and times table practise. If you would like to do any more, that would be great!

The final date to hand in the project is on Monday 18<sup>th</sup> December. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

Project 1 – Create a fact file about Victorian school life. Would you have liked to be a school child in Victorian times?

Project 2 – Research a famous inventor from the Industrial Revolution Present as creatively as you wish.

**HOMEWORK**

Project 3 – Make a traditional Victorian meal, send us a picture of your yummy creation. What steps did you follow?

Project 6 – Write a job advert for a factory worker. Use your knowledge of the factory machinery and conditions for the workers.

Project 5 – Draw yourself as a Victorian, will you be rich or poor? Add some labels to explain your diagram.

Project 4 – Create a timeline of the telephone, from it's invention, up to modern day.
