Arbor is the app you will now use for payments, school dinners and eventually communication- our Newsletter will be sent out via Arbor from next week.

There is currently a system wide error that may show on children's accounts that receive free school meals- your account may show your child owes £2.90 for a meal they had on Thursday 4th September. If this is the case please ignore this and do not make payment, it will correct itself. If you have any other issues please email admin@cherrytreehill.odysseyct.org.uk
