## Important Update about Free School Meal Vouchers:

We have been informed by the Local Authority that in February, the funding of Free School Meal vouchers for parents over the half term holidays will unfortunately come to an end.

These vouchers have been paid for through the national Household Support Fund which are sent straight from the Local Authority, which is now ending and will not continue in its current form.

This is a nationwide decision and not something the school has control over. Because of this, schools will not be able to issue FSM vouchers for Easter. You will receive your final FSM voucher W.B 09.02.2026.
