A Little Reminder About Social Media:

We love seeing how supportive our school community is, and we're always grateful when you share the wonderful things your children are doing.

However, we kindly ask that you **avoid posting children's names or any identifying information on social media** when sharing school-related photos or messages.

This is simply to help us **keep all children safe**, maintain everyone's **privacy**, and ensure we continue to follow our **GDPR responsibilities** as a school.

Thank you so much for your understanding and for working with us to keep our school community secure. Your support really does make a difference.

Year 3 School Trip:

They explored a roundhouse, trained for battle, re-enacted a Celtic fight, and carried out an exciting runes hunt. It was a fantastic hands-on experience that blended history, creativity, and teamwork — and Year 3 loved every moment.
