Things to do outside school:

Please [click here](#) to see our things to do outside school page.

We have started to add posters for clubs and activities going ahead during the Summer Holidays including the Treekeepers Forest School Summer Holiday club.

Umbrella is offering a range of inclusive summer activities for children with disabilities and their families, providing opportunities to have fun, make friends and stay active during the 6-week break.

Many of these activities are free of charge and are **open to any family**, making them accessible to those who may benefit from additional opportunities and support over the summer holidays.

The summer holidays can be a challenging time for some families, particularly those of children with disabilities who may be at risk of isolation. Their Family Support Service is available to provide advice, support and signposting to families throughout the holiday period.
