

Jigsaw PSHE is a progressive scheme of learning where knowledge and skills build year on year across the programme. The table below shows how the Healthy Me Puzzle (unit of work) develops in this year group, including some of the key vocabulary. Schools may adapt content to fit their policy, so please check with your child's school for specific details.

Ages 6-7	Puzzle overview: Healthy Me	
	In this Puzzle, children learn about healthy eating, balanced diets and making healthier food choices, including nutritious foods. They explore how to keep safe at home and outside, learning to recognise risks and hazards, and how to respond when something feels unsafe. Across the six Pieces, children develop understanding of medicine safety and how to care for their bodies. They reflect on feelings linked to safety and practise making calm, responsible choices that support wellbeing.	
	Knowledge	Social and emotional skills
	- I can sort foods into the correct food groups and know which foods my body needs to keep me healthy - I can make some healthy snacks and explain why they are good for my body and give me energy - I can recognise hazards in my home, including fire risks and hot things, and know how to reduce risks and keep myself safe - I can recognise risks and know how to keep safe around roads, railways, and water, and can explain why safety rules help protect me - I understand how medicines work in my body and how important it is to use them safely - I can explain how to keep my body healthy and safe at home and when I'm out	- I have a healthy relationship with food and know which foods I enjoy the most - I can express how it feels to share healthy food with my friends - I can recognise when I feel worried or unsafe and know to tell an adult straight away - I can recognise some of the feelings I get when something feels unsafe and know some ways to manage these to make a safer choice - I feel positive about caring for my body and keeping it healthy - I can make good choices that help me stay healthy and safe
	Vocabulary
